Creative Assignment 8 – Teacher Information

Can be set after Lesson 44 has been completed

Task: To compose a canon in a minor key using known chords and appropriate voice leading.

Preparation Activities.

Lesson 43

IWB/Sibelius Activity

Resource required: Sibelius file of three blank treble staves and one bass staff.

Using only chords i and V demonstrate good voice leading when writing a chord progression.

Write the bassline (la, mi, mi, la,) and the notes of each chord in solfa (vertically or in a tone ladder) on the board and discuss which notes from the first chord move most smoothly to notes in the second chord (e.g. mi is in both chords and therefore would be best in the same part).

For example, in a chord progression of i V V i the bassline (in the bass clef) would be la, mi, mi, la, The lowest treble line would be la, si, si, la, The middle treble line would be do ti, ti, do and the top treble line would be mi mi mi mi. Enter these notes into the Sibelius file, one line per part in the treble:

Musical notation for a chord progression in G major (one sharp). The notation consists of four measures across four staves: three treble clefs and one bass clef. The chords are i, V, V, and i. The bassline (bass clef) is: G4, B4, B4, G4. The lowest treble line (first staff) is: G4, A4, A4, G4. The middle treble line (second staff) is: B4, C5, C5, B4. The top treble line (third staff) is: D5, E5, E5, D5. The notes are written as whole notes.

Get students to write down known chords – different combination than the one demonstrated e.g. I iv V i – in the same format.

Musical notation for a chord progression in D minor (two sharps). The notation consists of four measures across four staves: three treble clefs and one bass clef. The chords are i, iv, V, and i. The bassline (bass clef) is: D4, F4, D4, D4. The lowest treble line (first staff) is: D4, E4, E4, D4. The middle treble line (second staff) is: F4, G4, G4, F4. The top treble line (third staff) is: A4, B4, B4, A4. The notes are written as whole notes.

Lesson 44

Demonstrate the use of passing and auxiliary notes and ask for suggestions to change the parts while still keeping the chord structure – ie keeping important notes of the chord on the first beat of the bar.

Eg:

i iv V i

Sing through the composition as one line; first the top, then second, third and fourth lines, making sure all parts flow smoothly. This is especially important going from the end of one line to the start of another. This may work better if some lines are swapped around.

Write out on a single staff and mark in the canon entries. Sing as a canon with the class. First in two parts then more depending on class' capabilities.

Jenn Gillan

Consider Lyrics. Some rhythms may have to change to fit lyrics.
