-  Click on this video icon to learn about the minim.
-  Click on this audio icon to hear **Trees** being sung with the words five times. Once you have listened several times, begin singing along with the song, pointing to these beat circles.

As you sing, write a stroke inside each beat circle where you begin a word.

Did you notice any words (sounds) that lasted for more than one beat?

This new rhythm is different to any we have learned because it lasts for **more** than one beat.
